Improve your home with the Green Homes Grant

Launched by the Government, the Green Homes Grant is a scheme to help homeowners pay for energy saving improvements to their homes, helping to reduce energy bills and improve home warmth. We're delivering this scheme in partnership with local councils.

Turnover to find out what you could benefit from and how to apply.

Through the Green Homes Grant scheme you could get insulation for walls to keep the heat in and heating products which use less carbon, like solar panels and air source heat pumps.

We're open 9am to 5pm,
Monday to Friday

Apply online

Search: **E.ON Green Homes Grant**

Or: **Scan the QR code below**

You could get

- Up to £10,000 worth of funding for home updates.

Who's eligible?

- If your home has an Energy Performance Rating (EPC) of D, E, F or G.
- Your household income is less than £30,000 or someone living in your home receives one or more means tested benefit.

¹ All applications made need to meet the eligibility criteria set for the Local Authority area. A free home survey is also required before improvement recommendations can be made for your home. Improvements are funded through the Green Homes Grant Local Authority Delivery scheme, a government scheme to help reduce UK zero carbon targets.
