5 Honorary Freeman / Freewoman

Newton Poppleford and Harford Parish Council can confer the title of **Honorary Freeman or Freewoman of the Parish** in recognition of their exceptional contributions and eminent services being made to, or in, the local Community. ¹

This is, in essence, a “**Title of Dignity**” and is similar to being given Freedom of Entry to the Town or similar, which can be awarded by principal higher authorities.

The admission of an Honorary Freeman or Freewoman must be made by resolution of full council, specifically convened for such a purpose, and be passed by no less than 2/3rds of the members of council. ²

The nominee must have been a Parish Councillor or officer for a minimum of 20 years, but has now retired from this post, or, the nominee has served the community in one or more voluntary capacities for at least 15 years, performing a service which is of significant and meritorious benefit to the parish /community. The nominee cannot be a serving Councillor.

There is no limit to the number of nominations or concurrent holders of the title, but the nature of

the nomination criteria means it is unlikely that the honour will be frequently awarded and will therefore remain distinctive.

Once nominations have been received, they will be scrutinized by the full Council. Members may conduct inquiries to verify the merits of a nomination, probably through discussions with residents who may be acquainted with the voluntary work carried out by the nominee.

Following a recommendation to full Council that an award is justified, the honour of Freeman or Freewoman will be granted by the Chairman and the title holder presented with a certificate³ citing the grounds for the award. This will be done at a suitable event where parishioners will be invited to attend to celebrate the honour bestowed.
