

Newton Poppleford & Harpford Parish Plan

Filling in the Picture

Responses to the 2010 Questionnaire

Introduction

With the blessing of the Parish Council, a small steering group was formed late in 2009 with the objective of producing a Parish Plan. The first stage was to develop a questionnaire to go to all households in the (Civil) Parish to sound out opinions. An Open Day was held in the Village Hall in January 2010, which generated lots of topics of local interest. Contacts were also made with Community Council for Devon who had guided similar exercises in a number of other villages. The steering group met during March and April 2010 to draft, pilot and refine the questionnaire format.

A team of volunteers was gathered: questionnaires were delivered to all 904 households in late May 2010 and gathered in June 2010 (despite some interruption from General Election matters!). The response was very good - almost 70% of forms were returned.

Not everybody answered every question, but for a lot of the questions there were over 500 responses - well representative of the village.

Sadly, the analysis has been delayed by a combination of funding difficulties, computer problems, demands on time for members of the steering group, etc. Eventually, funding was agreed in March 2011 for Devon County Council to carry out the data input. Spreadsheet results were not received from them until November 2011, despite prompting.

The Steering Group would like to record thanks to all those willing volunteers who distributed and collected the questionnaires, and those who provided funding for the printing and analysis, the Parish Council, Devon County Council and the East Devon AONB Partnership.

Apart from the responses to Questions 2, 3 & 4 which refer to the number of properties, **all other responses are numbers of people.**

Why not?

Nearer Tipton than Newton Poppleford (from Venn Ottery)  
 Other reasons are cost, don't drink, don't eat out, shop and services elsewhere, attitude of traders, housebound/out at work/live elsewhere

Yes: **402** No: **143** don't know: **53**

Yes: **407** no: **67** don't know: **84**

If yes, where are they? *This prompted the largest number of written-in responses*

Higher Way/Lower Way Harpford junctions with main road.

Around the River Otter Bridge.

Junctions onto main road at School Lane, Burrow and Burrow Lane (west).

Lack of footways by river bridge, Southern Cross/tollhouse and by bus-stops.

Pedestrian crossing by shop. Parked cars by shop, entrance to the Meadow.

Bends at the bottom of Four Elms Hill, Exeter Road west of mini roundabout
and the lanes in Harpford and around Venn Ottery.

Mini roundabout and junction with Venn Ottery Lane

problems with the junctions onto the A3052 exacerbated by speeding traffic.

38 Would you like to see any traffic calming measures introduced?

Yes: **302** no: **196** don't know: **83**

If yes, please specify.

A majority in favour of 20mph speed limit as Sidford, with some suggesting
speed warning flashers or speed enforcement cameras/ police patrols.

Speed bumps promoted a mixed response: some in favour, some definitely
against. Central islands and road narrowing at intervals along main road, with
more pedestrian crossings (no lights). Traffic lights instead of mini roundabout.
30mph speed limit on all single-track lanes.

Improve visibility of pelican crossing lights, especially from Sidmouth direction
and enforce.

39	Do you think there is a problem with the volume of traffic, especially heavy goods vehicles, through the Parish?
-----------	--

Yes: **384** no: **129** don't know: **70**

Would you like to see a traffic management scheme, by-pass, or weight limit.

A number would like to see a by-pass.

Failing this, suggestion of better signing off M5 to encourage heavies onto

A30, or a weight limit. For the lanes, a ban on heavies or a size/weight limit

- also a problem on the Bowd/Tipton/Ottery route

40	Do you think there is safe and adequate provision for cyclists in the Parish?
-----------	---

Yes: **92** no: **242** don't know: **244**

If no, how would you like to see provision for cyclists improved?

Cycle lane/track right through village, including Otter Bridge

Separate cycle routes for Exeter Hill and Four Elms Hill - virtually impossible for cyclists. Better routes to School. Educate drivers/traffic calming

Outside village connections - to Sidmouth and use of old railway track Ottery to Budleigh.

41	Do you think there is safe and adequate provision for pedestrians?
-----------	--

Yes: **183** no: **314** don't know: **78**

If no, how would you like to see provision for pedestrians improved?

Strong support for a footbridge over the River Otter.

desire for continuous footway alongside main road, especially by tollhouse.

maintenance/cutting back of hedges, awareness markings.

42	Are parking facilities in the Parish ... ?
-----------	--

Good: **113** reasonable: **333** poor: **105** no opinion: **46**

43	Would you like to see further parking controls/restrictions in the Parish?
-----------	--

Yes: **105** no: **357** don't know: **103**

If yes, please specify what and where.

Some would like to see better parking at the shop: others would like double yellow lines for whole area, extending to adjacent road junctions.

Better enforcement re illegal parking/school gates/parking on footways

Restrict School Lane car park to local permit-holders/ enforce 23-hour rule.

Various

44	Is the street lighting in the Parish suitable for the areas that are lit?
-----------	---

Yes: **495** no: **36** don't know: **72**

If no, please specify.

Back Lane, from Playing Field to Lark Rise footpath.

Not good in car park and around Church Hall.

Harpford - nothing beyond parish church towards Tipton.

Fewer lights should be on after (say) 1.00am.

45	Do you have any concerns about Crime and Safety issues within the Parish?
-----------	---

Yes: **84** no: **417** don't know: **72**

If yes, please specify.

Burglary of isolated properties.

Petty vandalism and lunatic acts like horse slashing.

Sporadic arson and use of drugs.

Travellers in the Green Lane at Venn Ottery.

Lack of regular, visible police presence, and better communication/reporting from police.

46	What do you particularly like about living in the Parish?
-----------	---

A large number of feel-good written-in responses:

Beautiful part of East Devon (AONB) with good community and friendly people.
Community amenities and activities - pub, food outlets, neighbours, good school, clubs & associations, welcoming church

Access to city/town and further afield. (M5, A30, airport and transport links)

Easy access to country, river, coast, woodland, commons and hill walks.

47	Is there anything you don't like about living in the Parish?
-----------	--

Many responses repeated traffic problems, as detailed earlier. Others were:-

Irresponsible dog owners/dog poo. Rubbish dumping in streams.

The appearance of Pearce's Yard (by the bridge). Himalayan Balsam.

Agricultural smells and noise. Numbers of rabbits. Persistent bonfires.

Outsiders coming here and wanting to change things.

Infrequent grass cutting in cemetery. Poor coping with ice/snow.

Very poor public transport in Venn Ottery.

48	Any further comments or suggestions?
-----------	--------------------------------------

A by-pass would be very beneficial.

Better maintenance of footpaths / cutting of roadside hedges

A couple of new seats at the Pavilion side of the Playing Field.

Kerbside cardboard recycling. Grit box in Meadow Drive. Dog bin in Back Lane.

Limits on night flying to/from Exeter Airport.

Limits on development to protect amenities and school from overload.

Motivation of more volunteers to help with all the good things which are going on.

Ensure the findings are fed back to people in the parish.

And a strong feeling from Venn Ottery:

Venn Ottery has much greater affinity with Tipton St John than Newton

Poppleford. Reorganisation of parish boundaries could create a new parish of

Tipton & Venn Ottery.
