**Statement of Reasons**

It is proposed to extend the 40mph speed limit westwards along A3052 to join up with the existing 30mph limit. This extension will reduce traffic speeds along this section of road and will reduce the variation in speeds on the approach towards Newton Poppleford, this will improve safety by reducing the likelihood of a collision.

Specifically, the order will avoid danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising and to preserve or improve the amenities of the area through which the road runs.
